GREEK RELATIONS AWARD

In 1998, Pi Kappa Alpha created the Greek Relations Award to recognize a fraternity or sorority that has exemplified the qualities of leadership and service in creating unity and amicable relations within the Greek community. The 1998–1999 Greek Relations Award was presented to Theta Chi for their hospitality and kindness towards Pi Kappa Alpha following the fire that badly damaged their Chapter House. Events such as the fire will not take place every year, but there are plenty of opportunities and instances in which Houses go out of their way in helping their fellow Chapters and in promoting harmony within the Greek system. From first-hand experience, Pi Kappa Alpha realizes the importance of these actions. As a result, the deserving Houses should be recognized.

If you feel that your Chapter or another Chapter is deserving of this honor, please attach a brief letter outlining the reasons.
