Spirit points are earned by the non-playing members of each team. Points are given to each team based on the number of people cheering on their team, costume design and cohesion, props and/or signs, and the general excitement of crowd cheering on team. Alternatively, spirit points can be taken away for unsportsmanlike conduct, leaving trash or decorations at the venues or by obvious intoxication at events.

All spirit points and event points are subject to the executive decision of Greek Programming Board. All decisions are final.

Kickball

Date: Sunday, March 24th

Time: 4:30 PM

Location: Rec Fields - South Quad Fields 1-3

Team Size: 10 players ******(5 male & 5 female athletes from the Greek Week Pairing)******

Rules:

Gameplay:

The game will consist of a 3-inning game with 3 outs per inning. There will be an 8-run mercy rule UNTIL the beginning of the 3rd inning. The winner will be declared by the team with the most runs. Any display of unsportsmanlike conduct will result in disqualification of the entire team from the event.

Pitching

The ball must be rolling to be counted as a fair pitch. The pitcher must use a definite underhand motion in delivering the pitch. In delivering the pitch, the pitcher may not stop or reverse the pitching motion. The pitcher must perform the delivery in a continuous motion. If the ball passes through the strike zone and the kicker does not make contact, it counts as a strike. A ball that goes wide of the strike zone or is not rolling it will count as a ball. The pitcher may not quickly pitch the ball if the kicker has not taken a position in the box or is off balance following the previous pitch. If the pitcher uses a quick pitch, the umpire awards the kicker a ball.

Kicking and Running

Foul lines extend out from first and third base, and a ball must be inside these lines to be in play. No bunts are allowed, the ball must be kicked with a visible use of force. Stealing bases are not allowed, the runner must wait until the current kicker makes contact with the ball to leave the base. Any pitch that hits the plate will be called a ball. Only feet-first sliding is allowed. Runners sliding head first will be called out. The kicker is awarded first base if they reach four balls. The kicker will be called out if they reach three strikes.

Outs

Each team gets 3 outs per inning. A kicker is out if three strikes are thrown. Foul balls do not count as strikes. A kicker is out when the fielding team touches a base with a ball before the kicker arrives, or if he is hit with a thrown ball below the shoulders while running the bases. A

kicked ball caught by a fielder before hitting the ground will also result in an out. Runners must stay in contact with the base until the ball has been contacted. Runners leaving the base early will be called out.

Scoring

A team scores one run each time a runner touches first base, second base, third base, and home plate in succession. A team does not score a run if the second out of an inning results from any of the following situations: a force-out, a runner is put out by a tag or a live ball appeal before the lead runner touches home plate, or a preceding runner is declared out on an appeal play. There is a limit of 8 runs per inning unless it is the 3rd inning. If a game ends in a tie, the game will proceed into sudden death. This meaning that one inning will be played and whoever has the most runs scored will be the winner. This process will repeat until a winner is found.
