Chapter Transition and Important Dates

Chapter Transition Checklist

Every year, unsuccessful officer transitions hamper future successes of chapters at The University of Alabama. Please remember that a successful transition is not only the glue that will hold your organizations together from year-to-year but also continues to move the chapter in a positive direction. While the following tips may not all pertain to your chapter, most are relevant and important for the majority of chapters.

For a successful transition, below is a list of responsibilities for Outgoing Officers:

Be sure to do the following:

- Discuss your organization's history (successes and failures, strong and weak characteristics, etc.)
- Review The University of Alabama's policies and procedures
- Review your organization's constitution, mission statement, and officer responsibilities (if old information needs updating, now is a great time to do that!)
- Review and pass on old records (including meeting agendas and minutes), binder(s), files, notebooks, copies of documents, emails, used for advertising past events, and correspondence (Pass along everything you have.)
- Review officer job descriptions and written expectations for each new officer regarding their role and responsibilities (offer advice on past successes and mistakes)
- Share and review your organization's calendar (and any important annual events that non-exec board members might not know about, i.e. leadership training events, University meetings, council meetings, and/or budget and bill deadlines)
- Share and review your organization's annual budget (what bills are still outstanding?), evaluations for projects and events, achievements, and mistakes
- Pass along rosters, alumni/ae information, mailing lists, computer passwords, bank accounts, contracts, keys, addresses, phone numbers, emails, etc....
- Sit with your incoming officers and help them plan their first course of action over their first few months
- Change SOURCE portal information and give administrative/officer access to new officers.
- Introduce officers and share contact information to key contact people, especially your chapter's advisors, University advisors, and headquarters staff
- Explain officer role in organization and meetings

Incoming Officers First Tasks:

- Develop a master calendar with meetings, programs, and events
- Develop a webpage and/or update current webpage with new officer information
- Establish meeting agendas, meeting times, and locations
- Evaluate with outgoing officers last year's concerns, achievements, and past goals
- Establish new goals and prioritize
- Plan chapter goal setting at next meeting
- Utilize The Office of Fraternity & Sorority Life's resources
- Submit OFSL Chapter Leadership Update Form
- Remember to keep well organized and detailed records in the upcoming year so it will be easy to transition when you select new officers.

Office of Fraternity and Sorority Life Information

About the Office of Fraternity and Sorority Life

Office and Community Overview:

The Office of Fraternity and Sorority Life serves roughly 12,000 students in 68 Greek-letter fraternities and sororities. The office strives to offer chapters on-campus support services, which often includes:

- serving as a liaison between faculty, alumni advisors, national offices, and parents
- developing values-based leadership development programming
- offering training in areas such as chapter operations, diversity, risk management, health and safety and membership recruitment
- monitoring the academic performance of fraternity and sorority members
- recognizing the positive achievements and contributions of community members.

Chapters range in size from 5 to over 460 members, providing a variety of membership experiences across four different councils:

- [Alabama Panhellenic Association](#)
- [National Pan-Hellenic Council](#)
- [United Greek Council](#)
- [Interfraternity Council](#)

Each council has a different focus, operational structure, history, recruitment or intake procedure, and annual signature events. Each chapter offers members a variety of opportunities to hold leadership positions in the chapter and at the University, participate in volunteer and service activities on campus and in the community, become involved in campus life and achieve success academically, personally and professionally.

Serving over a third of our students at the Capstone, the OFSL seeks to cultivate leadership skills, engage with the campus and local Tuscaloosa community through service, and promote unity among chapters, councils and the entire UA community.

Overview of the Four Governing Councils

Alabama Panhellenic Association (APA)

[National Panhellenic Conference](#) (NPC) is the umbrella organization for 26 national and international sororities and women's fraternities in North America. The Alabama Panhellenic Association (APA) represents NPC and is the coordinating body for the 19 NPC women's organizations on The University of Alabama campus. Sorority Recruitment typically takes place the week before classes begin each Fall. Members of sororities participating in Recruitment activities, who will be living in the sorority house in the fall, will begin moving in the week before Recruitment activities start. This allows for a week of Recruitment Workshop activities before Sorority Recruitment officially begins. For information about Panhellenic, visit uapanhellenic.com.

National Pan-Hellenic Council (NPHC)

The [National Pan-Hellenic Council, Incorporated](#) (NPHC) is the governing and coordinating council for the nine (9) historically African-American International sororities and fraternities, often referred to as the Divine Nine. The Alabama National Pan-Hellenic Council has eight of the nine organizations: Alpha Kappa Alpha Sorority, Inc. Alpha Phi Alpha Fraternity, Inc., Delta Sigma Theta Sorority, Inc., Zeta Phi Beta Sorority, Inc., Kappa Alpha Psi Fraternity, Inc., Sigma Gamma Rho Sorority, Inc. Phi Beta Sigma Fraternity, Inc. and Omega Psi Phi Fraternity, Inc. These sororities and fraternities have been an integral part of the UA community since 1974. Iota Phi Theta Fraternity, Inc. is the only organization currently not represented at The University of Alabama.

NPHC organizations are committed to community service and support academic excellence between members and the general student body by providing scholarships, study breaks and other programs. In addition to providing a social outlet, NPHC organizations also provide a variety of programs designed to enrich the cultural experience of UA students. NPHC organizations recruit members through a process called Membership Intake. Before an individual can seek membership, he or she must have accumulated 12 or more semester hours at UA, earned a 2.5 cumulative GPA, be in good standing with the University, and attended one of two NPHC Convocations offered in the academic year in which the student plans to participate in intake. For information about NPHC, visit uanphc.org.

United Greek Council (UGC)

The Alabama United Greek Council, commonly referred to as UGC, is the governing body for the 7 culturally based and special interest sororities and fraternities at The University of Alabama. Established on the UA campus in spring 2009, UGC exists to enable member organizations to share ideas and resources, promote mutual respect and equality, and provide a support network for students on campus. The United Greek Council is comprised of Alpha Kappa Psi, a co-educational honor society; Alpha Omega Epsilon, an engineering sorority; Kappa Kappa Psi, a national honor band fraternity; Phi Mu Alpha Sinfonia, a national fraternal music society; Phi Sigma Pi, a national co-educational honor fraternity; Sigma Alpha Iota, a music sorority; and Theta Tau, a co-educational engineering fraternity.

Each organization that encompasses the United Greek Council has an individual recruitment process and depending upon the chapter, this process may be referred to as Recruitment, Membership Intake, or Rush. While most chapters recruit new members at the beginning of the fall and spring semester, each chapter's process for taking new members varies in accordance with their specific needs and inter/national requirements. UGC recruitment includes participation in fall and spring [Get On Board Day](#). Chapters also host tabling events and programs throughout the semester. For information about UGC, visit bamaugc.com.

Interfraternity Council (IFC)

The Interfraternity Council serves as the governing body for 34 fraternities at The University of Alabama, many of which are affiliated with the [North American Interfraternity Conference](#) (NIC), which is the trade association representing 58 inter/national men's fraternities. Fraternities provide a meaningful outlet for students to become involved in campus life outside the classroom through an emphasis on scholarship, leadership, community service, social life and lasting friendships.

There are two ways of seeking membership. Organizations recruit members and extend bids for membership before the beginning of classes for fall semester. The IFC also holds structured recruitment during late August and early September. During structured recruitment, prospective members have the opportunity to interact with individuals from each fraternity. Once prospective members have registered online, their information is shared with all IFC fraternities. For more information about IFC, visit the Alabama Interfraternity Council website at alabamaifc.com.

Filming on Campus

Filming Request Info

Register the filming as an event through The Source

Requests to Film should be submitted AT LEAST 7-10 business days in advance.

If you are using anyone outside your organization to do the filming (the “Producer”), the Producer must sign a Location Agreement, which is a legally binding contract, stating what the Producer can film on campus. This document will be sent to them electronically for signature and submission. Once signed and submitted, it must be signed by UA before it is executed.

Even if your chapter fills out a Request to Film, and registers the filming through the Source, filming cannot begin until a Location Agreement has been signed.

All videos that your chapter plans to show to recruits should be reviewed by the OFSL before they are shown. We will ask you to remove any footage that does not comply with the following:

Rules to remember when filming:

- Glitter or Confetti is not allowed on campus.
- No filming can happen inside any Intercollegiate Athletic facilities.
- No student-athletes should be filmed.
- **Filming of the President’s Mansion should occur on the University Blvd. sidewalk, and not from the lawn or driveway.** When you film at the President’s Mansion, make sure that the camera man, and all members stay on the sidewalk in front of the mansion. Do not go on the lawn, in the driveway or in the flowerbeds.
- When an organization requests to shoot at or around the Mansion (from the University Blvd. sidewalk), they are required to request/provide no greater than a 2- hour window of time in which they would be in the vicinity (ie: 1:00-2:15pm). A blanket request of 8-5 will not be permissible.
- **Only film in the areas that you receive permission to film in.**
- Do not break any campus rules, city ordinances, state or federal laws while filming.
- Be careful with what you film inside any chapter facilities from a safety perspective.

Office of Fraternity and Sorority Life Policies and Procedures

OFSL Statement of Non-Discrimination Compliance

The Office of Fraternity & Sorority Life (OFSL) and the UA Fraternity and Sorority Community are committed to being a welcoming and inclusive campus characterized by access and opportunity.

The OFSL desires to build a community that reflects diversity and inclusion within our sorority and fraternity chapters. We strive to make our campus stronger through our commitment to promoting diversity, encouraging Greek organizations to value quality of character rather than legacy status, and creating positive change within the fraternity and sorority community. Students of all backgrounds make up UA's Fraternity and Sorority Community and individuals are celebrated for their perspectives, ideas, personal merits versus familial relations, and their contributions to their organizations and to our community.

Furthermore, The University of Alabama complies with all applicable laws prohibiting discrimination, which are outlined in the [University's nondiscrimination notice](#) and in its [harassment policy](#). Membership in registered student organizations shall be open to all students of The University of Alabama, without regard to race, religion, sex, disability, or national origin, color, age, disability, gender identity or expression, sexual identity, or veteran status except in cases of designated fraternal organizations exempted by federal law from Title IX regulations concerning discrimination on the basis of sex.

Discrimination in the recruitment and selection of new members perpetrated by members of Greek organizations, their chapter advisors, or their alumni/ae is in violation of University policy and will not be tolerated. Should you at any point witness unlawful discrimination in membership selection processes, you have an ethical obligation to report it to one of the following offices, which will ensure the confidentiality of your report:

- The Office of the Dean of Students can be reached at 205-348-3326 anytime Monday-Friday during the hours of 8:00 a.m. – 5:00 p.m.

Standards of Social Fraternities and Sororities

Recognition of Social Fraternities and Sororities

The recognition of fraternities and sororities is, at all times, solely at the discretion of The University of Alabama. If a circumstance arises in which an organization disagrees with the recommendation of The University of Alabama concerning recognition, The University of Alabama holds sole discretion to deny campus recognition to an organization based on the assessment and findings of the organization's operations and potential for risk.

In order to be recognized by The University, a fraternity or sorority must:

1. be an affiliated, registered student organization with the Office of Student Involvement, and
2. be in good standing with the University as well as one of the four Greek governing councils (Alabama Panhellenic Association (APA), Interfraternity Council (IFC), National Pan-Hellenic Council (NPHC) and the United Greek Council (UGC)), and
3. must be chartered at The University of Alabama and membership must be exclusive to full-time University of Alabama students. Citywide or metropolitan chapters will not be recognized.

If it is determined that an organization meets the criteria for recognition as a fraternity or sorority, it is at the discretion of The University of Alabama to identify appropriate council affiliation or operational fit, with the understanding that organizations must still follow a council's extension/expansion policies and procedures.

Receiving Recognition

Should an organization meet two (2) or more of the following criteria, they will be considered a fraternity or sorority for purposes of recognition:

1. They are entitled to single-sex membership consistent with regulations promulgated pursuant to Title IX of the U.S. Education Act Amendments of 1972 and such other laws or regulations as may apply.
2. They are entitled to be subjectively selective in their membership within the limits of the University's non-discrimination policy.
3. They are legal entities external to the University. In all cases, their chapter corporations, and inter/national Greek organizations are incorporated separately from the University.
4. They are an inter/national organization (incorporation, national officers, etc.) that maintains affiliation with a national umbrella organization (NIC, NPC, NPHC, NALFO, NMGC, NAPA, etc.)
5. They require participation in a new member orientation, educational or pledge program prior to initiation.

If deemed appropriate, in consultation with the Office of Student Involvement and the Office of Dean of Students, special interest fraternities and sororities not holding membership in a national umbrella organization (NIC, NPC, NPHC, NALFO, NMGC, NAPA, etc.), may also be recognized.

Maintaining Recognition

Should it be determined that a chapter is not in good standing, their recognition may be revoked or they may be put on probationary recognition for a period of time that the University designates in its sole discretion.

Loss of Recognition/Probationary Recognition

A chapter's recognition may be revoked or the chapter may be put on probationary recognition status for various reasons including, but not limited to, the following:

- If membership numbers fall below (5) five active members in “good standing” for more than two consecutive semesters.
- If a chapter is found not to be actively participating in one of the four Greek governing councils, unless exempted from such participation by an appropriate University official.
- If a chapter fails to update and maintain the required documentation requested by the Office of Fraternity and Sorority Life or the Office of Student Involvement.
- If a chapter is found to be recruiting members from a population other than currently enrolled or admitted University of Alabama students.
- If a chapter is found to be in violation of the Code of Student Conduct or any University, local, or national policies or laws related to risk management, discrimination, hazing, Title IX, sexual misconduct, drugs or alcohol.

At the end of the probationary recognition period, the Office of Fraternity and Sorority Life, in consultation with the Dean of Students Office, will make a decision to either revoke all recognition or grant full recognition.

Changes will be made, if needed, and a revised roster will be sent with the next review date. It is important that the designated Chapter representative review all rosters, especially the final roster, for accuracy as this will be used when providing your grade report at the end of the semester. Members that co-op or participate in an internship for a semester do not need to be removed from the chapter’s roster for the semester they are away if they are still paying dues. Transfer students that affiliate with a chapter must submit a signed FERPA grade release form before their grades will be released. If there is a break in a member’s affiliation dates, a new FERPA grade release form must be submitted before the member will be added back to the roster. It is the responsibility of the Chapter to ensure that each member/new member has submitted the FERPA grade release and Hazing form.

Housing Lists

Early Fall Housing lists are due to the OFSL by June 1st. Final Fall housing lists are due August 1st. Spring Housing lists are due by January 5th. Information received after these dates could result in members being unable to register for a parking permit when they go on sale. Once submitted, changes to the Housing lists should be submitted to Jennifer Brown, jhbrown6@ua.edu. UA’s housing policy stipulates members must be enrolled at The University of Alabama in at least one credit hour during the semester they will be living in the facility (upcoming fall and/or spring semesters) to be eligible to live in the chapter facility. Additionally, residents must be an Active member in good standing with the sorority/fraternity, paying both local and national dues, during each semester they reside in the chapter

Eligibility Requirements for Membership

The University of Alabama, Office of Fraternity and Sorority Life, and the UA fraternity and sorority community are committed to being a welcoming and inclusive campus characterized by access and opportunity, which allows students and prospective students the opportunity to choose what they want their individual Greek experience to be and know that there are no barriers preventing this choice from happening.

Furthermore, the University of Alabama complies with all applicable laws prohibiting discrimination, which are outlined in the [University's nondiscrimination notice](#) and in its [harassment policy](#). Membership in registered student organizations shall be open to all students at the University of Alabama without regard to genetic information, race, color, religion, national origin, sex (which includes sexual orientation, gender identity, and gender expression), age, disability or veteran status, except in cases of designated fraternities and sororities exempted by federal law from Title IX regulations concerning discrimination on the basis of sex. Chapters may also host independently planned and executed recruitment events throughout the year, providing that these events abide by their local or inter/national policies, and with the policies of The University of Alabama and the Alabama Interfraternity Council. Alcohol should not be present at any event that involves the recruitment of potential new members.

The National Pan-Hellenic Council (NPHC)

NPHC organizations participate in a delayed recruitment process called Membership Intake. Before an individual can join a NPHC organization, he or she must attend NPHC Convocation in the academic year that the student participates in Intake. It is also recommended that each student have accumulated 12 or more semester hours at the University and have at least a 2.5 cumulative GPA. NPHC Convocation is an educational session that takes place in the fall and spring of the academic year. Fraternalities and sororities are subject to the [UA Code of Student Conduct](#) and are expected to abide by the Code of Student Conduct on and off campus. Chapters and their members are required to follow all University, University Greek governing council, and inter/national or local organization policies, including, but not limited to: policies related to risk management, discrimination, hazing, Title XI, sexual misconduct, drugs and alcohol. On-Campus Social Event Guidelines

Organizations registering on-campus events must electronically register their social event and submit all applicable fees and documentation through the Office of Student Involvement as required by the University's Social Event Guidelines. Registration of an event does not imply that the event has been or will be approved. All registrations will be processed and the event chairperson will receive a copy of this form upon request. Failure to follow the requirements of the Social Event Guidelines may result in the loss of an organization's social privileges. Refer to the [Social Event Guidelines](#) for more details.

Please note that per the Social Event Guidelines, *"All remnants/decorations/trash from social events in areas visible from a public road or sidewalk must be removed from the property immediately following the event, and must be completely removed by 7:00 a.m. the morning following the event. This paragraph applies to the removal of all materials involved in party decoration construction (e.g., lumber, flags, front yard fences/tarps, etc.). Failure to comply may result in the organization being referred to the Office of Student Conduct for possible sanctions and/or fines."*

Hazing Policy

All students and other University representatives, including employees, should immediately report known or suspected hazing violations as directed herein. For more information, please review [the University's Hazing Policy](#).

Sexual Misconduct Policy

The University is committed to providing an environment free from sexual misconduct and discrimination based on sex, sexual orientation, gender identity, and gender expression and expects individuals who live, work, teach, study within or visit this community to contribute positively to the environment and refrain from behaviors that threaten the freedom or respect that every member of our community deserves. Students who are found to be in violation of the University's Sexual Misconduct Policy will be subject to corrective action up to and including expulsion from the University.

For more details on the University's Sexual Misconduct Policy, including information on training, resources, accommodations, procedures, and penalties, please contact [The Office of Title IX Coordinator](#).

UAct

Any student, faculty or staff member, applicant or campus visitor who has concerns about discrimination, harassment, sexual assault or sexual violence or retaliation is encouraged to seek the assistance of the appropriate University official. If the situation is an emergency or you or someone you know needs immediate assistance, please contact The University of Alabama Police Department at 205-348-5454. Behavior of this type may constitute a crime. Individuals are encouraged to contact the University Police at 205-348-5454 to discuss criminal charges that may apply and the appropriateness of a criminal investigation. For additional information on available reporting channels within the University, please visit [UAct](#).

Insurance Requirements

Each organization must produce a certificate of commercial general liability insurance (with no liquor liability exclusions) to the University's satisfaction in the amount of \$1,000,000 per occurrence, \$2,000,000 aggregate, and name The Board of Trustees of the University of Alabama as an additional insured and waiver of subrogation provision, using the following language in the certificate:

Unless precluded by law, all policies waive the right to recovery or subrogation against the Board of Trustees of the University of Alabama, its individual trustees, officers, directors, employees, agents and representatives."

Chapters with housing facilities must provide property insurance as well.

Special events hosted by two or more recognized organizations and/or with an expected attendance in excess of 500 may be required to provide additional limits of insurance as determined by the Office of Risk Management.

The Office of Fraternity and Sorority Life, with the concurrence of the Office of Risk Management, may modify this requirement for circumstances justifying lower policy limits. Chapters are expected to update their insurance documents by November 30th of every year or within 15 day following the expiration of the required insurance policy.

New Member/Pledge/Membership Intake Education

Any new member program that a recognized fraternity or sorority conducts shall comply with all relevant University policies and council and/or inter/national organization constitutions, rules, policies, or by-laws. Further, the program should incorporate the following:

- Ensure that all new members are currently enrolled UA students.
- Academic performance by new member/membership intake class must take priority over new member/membership intake activities. No required new member/membership intake activities may be scheduled that conflict with academic commitments

- All forms of hazing are prohibited. Each new members/membership intake class member must sign a Hazing Policy Acknowledgment stating that they have read and understand the University's Hazing Policy.
- Chapters MUST initiate in the same semester of new member/membership intake activities, unless otherwise approved in advance by The Office of Fraternity & Sorority Life, and the respective local or inter/national office.
- Ensure that Chapters adhere to council policies pertaining to New Member Education/Membership Intake.

New Member Presentations

- New member presentations are defined as the public presentation of new initiates into an organization.
- The Office of Fraternity and Sorority Life must receive notification of all new member presentations at least ten (10) business days prior to performance.
- New member presentations must occur between the hours 5:00 pm and 10:00 pm.
- New member presentations are not to be scheduled on the day/time of a previously registered organization.
- All New Member Presentations must be clean and absent of any profanity. This includes, music, vulgar acts, chants, etc.
- No physical abuse will be tolerated. This includes, but is not limited to: slapping, kicking, spitting, punching, caning, etc. Canes, staffs, sticks, bricks etc. may be used as a part of the performance, but may not be used as a weapon to harm another individual.
- No hazing may occur prior to, during, or after the presentation.
- Disruption by other attending organizations will not be tolerated. Groups or individual who cause a disruption will be asked to leave the performance and may be referred to the Office of Student Conduct.

Crisis Management

Crisis Management Guidelines are provided to you in an effort to provide a logical framework in the event of a crisis involving your chapter. Though our hope is that preventative measures such as fire safety, alcohol regulation and hazing elimination will help chapters avoid many potential crises, it is unrealistic to believe that no UA fraternity or sorority will ever need these guidelines. Tragedies do occur and cannot be predicted. Taking the time to prepare for—and ultimately prevent—the tragedies that can be avoided could save not only the life of a member, but also the life of your chapter.

These guidelines should be used if a tragedy or crisis involving your chapter occurs either on or off chapter property. Examples of such situations include, but are not limited to:

- death or injury of a member or guest;
- fire or flood in the chapter house;
- an injury or accident involving alcohol/drugs at chapter events
- an injury or accident involving a member and/or a non-member at or during a chapter event or on chapter property.

Some chapters may already have similar crisis management guidelines that have been developed by their national/international organizations. This document supplements those procedures by providing names and telephone numbers of University officials who can be of assistance.

Member Education

1. The entire Executive Board of your chapter should review these crisis management procedures and be familiar with important concepts of handling a crisis. Every chapter officer should have a copy of these procedures.
2. Be certain that all members in the chapter (including new members) know that the chapter president is in charge of every emergency situation. Though the president may choose to consult with other members who have some expertise or insight, final authority should rest with the president.
3. In the event the president is absent, the next ranking officer should assume control. If such rankings are not already in place, chapters should define officer rankings and include them in the chapter bylaws.
4. All members must know who is in charge and be prepared to follow instructions. Include a review of the chapter's crisis management guidelines in a risk management education program each semester. The advisor or House Corporation representative should also be aware of the procedures.

General Procedures

1. In nearly all situations, the president's first call will be to the 911 emergency number. Briefly and calmly explain the situation so that the appropriate emergency personnel can respond. Please wait to cooperate and help emergency personnel on the scene.
2. Close the chapter house immediately. Permit only your members and appropriate officials to enter. Any guests in the house should be asked to leave unless notified by UAPD for guests to stay. Assign one or more responsible members to calmly control access to the chapter house and ask for members and guests to stay off of social media.
3. Contact University officials. During business hours (8:00 a.m. - 5:00 p.m., Monday - Friday) contact the Office of Fraternity or Sorority Life at 205-348-2693. Tell the person answering the phone that this is an emergency call and ask for Dr. Kat Gillan or Kathleen Duffy. If the

University's administrative offices are not open, contact the UAPD at 205-348-5454. Inform the dispatcher of the nature and location of the emergency and tell him or her that you have already contacted 911 emergency personnel. Campus Police will then contact the necessary University Fraternity and Sorority Life personnel as well as the Student Life professional on duty.

4. Contact your chapter's alumni advisor and inform him/her of the situation. Ask him/her to come to the chapter house or event location immediately in order to consult with chapter officers and University officials. Contact your national/international headquarters once you have confirmed with alumni advisor.
5. Assemble your members, including new members, in a group. Explain that there has been an emergency and that the house is closed to all but members and appropriate University/emergency personnel. Instruct the members not to speak to anyone outside the chapter about the incident except police and University officials. Do not discuss details, speculate on events, or otherwise elaborate on the situation until police, University officials and the chapter advisor arrive. Emphasize the need to remain calm and assure chapter members that everything is under control. If there is a need to inform members who are not present, the president may delegate this responsibility to another member. Have him/her use his/her cell phone in order to keep the house phone and chapter presidents' phone free.

Serious Injury or Death of a Member

1. Do not notify the parents. In the event of a serious injury or death, medical or police personnel will notify the family. Current parent/guardian contact information should always be on file with the university and with the chapter. After you know the entire family has been contacted, it is appropriate then and only then for a chapter representative to call and share the chapter's concern. Please ask members to not post information via social media.
2. If the member lives in the chapter house, do not remove any personal items from the room. Do not allow other chapter members to enter the room. Temporarily move any roommate(s) to another room in the house. Keep the door locked and allow only authorized personnel to enter the room. Keep the area clear during investigation.
3. After you are sure that the family has been notified and received approval from Dean of Students Office, seek the advice of the family regarding the member's belongings. You may offer to pack them in boxes, but it is more likely the family will want to do this themselves. Before they arrive, make sure that any borrowed items have been returned. When they arrive, have empty boxes available and offer to help. Keep in mind, however, that this is a very difficult time for the member's family and they may want some privacy.
4. In the case of a death, members' attendance at a funeral or memorial service should be coordinated with the funeral director and the family. Discuss with the family or the family's clergyman the possibility of conducting a separate memorial service for the deceased member at a later time.
5. In the case of a serious injury or illness, contact the member's family regarding their desires for visitation by chapter members. Always respect the wishes and desires of the family even if the ill member insists on more frequent visits.

Managing the Media

1. If the news media contacts the chapter, only the designated spokesperson (the chapter president or chapter advisor) should speak for the chapter. With the assistance of chapter legal counsel, the chapter advisor and university officials, the chapter should carefully prepare a formal statement to be issued to the media. The university can help the chapter through this

process. Prior to the development of such a statement, the following standby statement may be useful:

"We can confirm that (describe incident briefly) occurred on (day) at (time) at (location). We will do all we can to provide information as it becomes available. Currently, we are working with the authorities. Further information will be given when we have completed our investigation of all pertinent matters."

Absolutely nothing else should be said. Respond to any additional questions with: "When we have completed our investigation, we will release more information."

2. Keep the chapter house locked in order to keep out unwanted visitors.
3. Consider holding any press briefings away from the chapter house. Involve your alumni advisors, University officials, and Headquarters staff in such decisions.
4. Do not release any names to the media until a University official has advised that the timing is appropriate.
5. Update the media consistently, but only when there is something to say. Establish a distribution list for one-page updates or releases to the media.

How to Cope

Remember that University officials are always available for counseling and other assistance. Do not hesitate to call the University Student Counseling Center at 205-348-3863 for assistance. Individual and group counseling is strongly recommended following any crisis situation. No matter how well things appear to be going, counseling and other support services are both wise and appropriate.

Emergency Preparedness

The House Director and/or House Manager should maintain a current list of all members living in the Chapter House with contact information. It is helpful to have a process in place should all members of the Chapter need to be accounted for. For example, a phone tree or GroupMe for in-house and out-of-house members.

The Office of Emergency Preparedness provides a list of *Quick Safety Tips*, outlining what you should do in certain situations including inclement weather, fire or explosion on campus, an armed individual on campus, and provides a list of definitions related to emergency situations. Visit the Emergency Preparedness website at <https://ready.ua.edu/> for more information.

When a [tornado watch or warning](#) is issued for campus, the North Campus Storm Shelter, East Campus Storm Shelter, the Magnolia Parking Deck Best Available Refuge Area (BARA), and others, will be opened and remain open until the cancellation of the tornado watch or warning. Chapter houses will have designated BARA and this information should be posted in a visible area in the Chapter house. The Magnolia Parking Deck BARA can accept pets with their owners for more information, visit ready.ua.edu/wp-content/uploads/2016/05/Sheltering-with-pets-on-campus-during-a-tornado-watch.pdf

Each campus building has a BARA location. The location can be found on the building emergency plan posted near the entry/exit locations. A copy of the BARA locations, including chapter houses, can be found here: [Best Available Refuge Areas](#). If you cannot locate a BARA location, the next preferred area generally is on the lowest floor of most buildings, away from windows and in the center of the

building. For more information about sheltering in place, visit ready.ua.edu/wp-content/uploads/2017/02/BARA-Locations-02132017.pdf.

Active Terror Threat

In the event that there is an active terror threat on campus, occupants currently inside buildings should remain in that secure structure until instructed that it is safe to leave. All staff and students are encouraged to download the UA Safety App from the App store. Visit UA the Emergency Preparedness website at ready.ua.edu for more information.

Bomb Threat

In the event of a bomb threat, students should follow directions issued by UAPD. If instructed to vacate the facility, all occupants inside the Chapter House should calmly exit the house and proceed to a staging area, designated by the House Director, House Manager or House Board. Everyone should remain at the location until instructed that it is safe to return to the Chapter House. Do not remain within close proximity to the house. All staff and students are encouraged to download the UA Safety App from the App store. Visit UA the Emergency Preparedness website at ready.ua.edu for more information.

Fire

If you discover a fire, activate the nearest fire alarm, and call 911 or 205-348-5454. Be prepared to give your name, address, and location of the fire in the facility. Follow lighted signs to the nearest exit and follow posted evacuation routes. Notify others on your way out. Do not use elevators.

If you cannot leave the facility, close the door to the room and hang something out the window to notify others. Call UAPD at 348-5454 or 911 and give your location. Put wet towels around the door to keep smoke from entering. If smoke enters the room, open the window. Stay close to the floor and put a cloth around your nose and mouth to filter the smoke. Crawl to the closest safe exit.

Only use a fire extinguisher if you have been trained to do so. Improper use can increase the hazard.

Fire Alarm

In the event the fire alarms in a Chapter house are activated, all occupants should calmly exit the house and proceed to a staging area, designated by the House Director or House Board, and wait until the fire department has cleared the facility. Walk, don't run, to the nearest stairwell, and alert others on your way out of the house. Do not use elevators. The House Director and/or House Manager should maintain a current list of all members living in the Chapter House with contact information. All members should be instructed on the protocol in the event of a fire alarm. Failure to evacuate the House in a timely manner could result in fines being imposed by the Fire Marshall.

Gas Leak

Upon notification of a gas leak, all occupants should immediately, calmly exit the house, proceed to a staging area designated by the House Director or House Board, and wait until the fire department has cleared the facility. The House Director and/or House Manager should maintain a current list of all members living in the Chapter House with contact information and be prepared to share that list if needed.

Suspicious Package Protocol

In the event there is a suspicious package delivered or dropped off at the Chapter House, do not touch it. Everyone should be cleared from direct sight of the package. Immediately call UAPD at 205-348-5454 and be prepared to give the Communications Operator your name, cell number, location, and a description of the package in question.

Fraternity and Sorority Housing

About Fraternity and Sorority Housing

The majority of the Greek organizations at The University of Alabama are housed on campus. House occupancies range from 16 to 80 members, and many facilities have a live-in house director that manages the day-to-day operations of the chapter facility. Since 2005, UA has played an instrumental role in assisting Greek organizations with the construction of 24 new chapter houses, the renovation of 11 existing houses, and the planning of two new additional chapter houses slated to open Fall 2024.

Title to the real estate on which a chapter house is built, along with the chapter house itself, is vested in the University. Therefore, the University retains authority and jurisdiction over the real estate and chapter houses. The Fraternity/Sorority is allowed to occupy the chapter house free of rent if the group complies with the rules and regulations of the University. UA houses 49 Greek organizations, seven of which are operated by the University with the remaining chapter houses operated by the individual house corporations. The housing breakdown consists of 28 fraternities, one co-ed fraternity, and 18 sororities with approximately 1,900 students residing in those housing facilities.

Living in the Chapter House

Current enrolled University of Alabama students that have completed at least 24 credit hours at Alabama and active members of the organization are eligible to live in the chapter house. Freshmen students, unless granted an exemption from Housing and Residential Communities, will have a contract for the academic year to live in the residence halls. Typically, freshmen are not allowed to live in a fraternity or sorority house. Students not enrolled at The University of Alabama or listed on the current chapter roster on file with OFSL are not allowed to live in the chapter house.

Chapter House Maintenance & Management

The University of Alabama hosts various assessments and oversees State required inspections for all Greek chapter houses on campus. The University has one Greek swing space house and six small group Greek houses. For these facilities, UA performs all maintenance. The swing space is a transition house while the current Sorority or Fraternity is awaiting their new house to be built. Greek Houses outside of this may request maintenance repairs to be performed by the University, but those services will be charged to the chapter. Outside of this, the chapter houses are operated by the individual house corporations

The University currently manages the monthly fire sprinkler inspections, annual elevator assessments and inspections, biennial boiler/hot water heater inspections, and five-year property assessments as it pertains to each Greek House located on campus. The University elects to arrange the State mandated inspections to ensure the required certificates are obtained for the elevators and boilers/hot water heaters.

If a Greek House, outside of the UA-owned swing space, has an after-hours emergency-related maintenance issue arise, they can report it to (205) 348-6001 and UA Facility Shops will respond. All EHS items should be reported to UAPD at (205) 348-5454. Please note the Greek House will be charged for these services. If you have any questions regarding university assessments or inspections that are performed at your Greek House, please contact Jennifer Brown at (205) 348-4028 or jhbrown6@ua.edu.

Swing Space Housing

Designated representatives in a university-owned swing space may report maintenance items directly to Jennifer Brown, Director, Fraternity and Sorority Housing.

Small Group Housing

Individuals residing in a small group Greek house will report their maintenance items to Housing and Residential Communities (HRC) via phone at (205) 348-6676 or their [web portal](#).

Chapter House Routine Maintenance

- The grease trap should be cleaned out twice a year. If there is a small grease trap, it should be cleaned four times a year. Grease interceptors should be pumped out a minimum of semiannually or more frequently if they are full. The grease interceptor pumping contractor can advise if they need more frequent pumping out.
- For hydronic chilled water and building heat hot water closed loop systems that employ chillers and boilers for the HVAC system, these systems should be tested for chemical balance and be adjusted as needed a minimum of semiannually. If there are significant deviations from correct chemical conditions, a subsequent test should be conducted sooner than semiannually.
- Turn the irrigation system off when the House closes for Winter Break and Spring Break or other times during the year when temperatures get below freezing. It is asked that irrigation systems are scheduled for at least three times a week during the summer break to prevent the landscaping from dying.
- Filters in air handlers and fan coil units should be changed every one to two months or more frequently if the filters are overly dirty.
- Kitchen hoods are typically cleaned semi-annually, and the fire suppression systems are checked semi-annually.

House Management Checklists

Each chapter house is encouraged to develop a house management plan for day-to-day operations, members moving in and out of the chapter house, opening and closing checklists, and various holiday break checklists. The chapter may want to request your property management company and/or identify an individual associated with the chapter locally to check the house during breaks in the event the House Director is not there. OFSL will contact chapters for opening/closure dates for our records and share with Campus Partners as needed.

OFSL Coordinated Inspections

Boiler/Hot Water Heater Inspections

Boiler/Hot Water Heater inspections are conducted every two (2) years on equipment 200,000 BTUs or larger. The University of Alabama contracts this inspection through Travelers Insurance. The House Director or a designated chapter representative is notified roughly one month prior to the actual inspection of the date/time. In addition, a reminder will be sent 2 business days prior to the arrival of the inspector, the University HVAC Shop technician, and a representative from OFSL. There is no fee to the Greek Organization for this inspection. Main code requirements the inspector looks for are:

- Emergency Shut Off Switch(es)
- Monthly Maintenance Log(s)

- Release Valve(s) working properly
 - Mechanical room is clear and free of any items (not related to the upkeep of the equipment)

Current Schedule: Varies – Inspector contacts OFSL to set up as needed.

Elevator Assessments & Inspections

Elevator assessments and inspections are conducted every year on any vessel within a Greek housing facility. The University’s Elevator Shop conducts the annual elevator assessment roughly 30 to 45 days prior to the actual annual inspection. Results are provided to the Greek Organization for an opportunity to repair the items. The University contracts the annual inspection through Swett & Associates. The House Director or a designated chapter representative is notified roughly two weeks prior to the assessment and annual inspection and reminded 2 business days prior to the arrival of the inspector, University Elevator Shop technician, and a representative from OFSL. There is a current inspection fee of \$93.15 that will be billed to the Greek Organization. Main code requirements the inspector looks for are:

- Monthly Maintenance Log
- Current Certificate of Operation posted in elevator
- Annual tests have been performed
- Mechanical room is clear and free of any items (not related to the upkeep of the equipment)
- Any code violations and/or life safety items

Current Schedule: Greek elevators are divided into two assessment/inspection sets with one occurring in the fall semester and the other in the spring semester.

Fire Sprinkler Inspections

The University of Alabama’s Facilities Department conducts monthly fire sprinkler inspections in any Greek house containing a fire suppression system (outside of EHS’ life and safety inspections). The inspections occur daily at 8:00 AM, 9:00 AM, 10:00 AM, 1:00 PM, and 2:00 PM. Make-up inspections can be scheduled any weekday based on availability. Typically, a semester’s worth of monthly inspections is created and distributed to the House Director or a chapter representative. There is no fee to the Greek Organization for this inspection, but there are charges for any small repairs the University’s technician makes. Large repairs are reported to the House Director or a designated chapter representative and asked that they contact their private contractor for the repair.

Current Schedule: Monthly – a separate calendar is maintained with the inspections.

Property Assessments

The University of Alabama’s Facilities Department conducts an assessment of each Greek House every five years. The sorority and fraternity houses are scheduled on a rotating basis. This assessment is conducted on designated Wednesdays from 1:30PM to 3:30PM. The Director of Fraternity and Sorority Housing will coordinate the schedule with the House Director or a designated Chapter representative at least one month in advance and send a reminder 2 business days prior to the assessment. Once the assessment is completed, Facilities will compose a report of the evaluation and any findings requiring a repair. There is no fee to the Greek organization for this inspection and chapters are asked to address any maintenance issues or concerns outlined in the report by the deadline provided to them.

Current Schedule: Every 5 years
Fraternities: 2022/2023
Sororities: 2026

Vendor/Contractor Information

OFSL maintains a listing of each chapter's vendors and contractors that come to campus. In the event there was an emergency maintenance situation, we would have their contact information on file. In addition, we provide their information to Transportation Services in case they wish to purchase a parking permit as well as assist with access in gated or restricted parking areas on campus. Vendors/Contractors are subject to UA parking policies or could be ticketed.

Current Schedule: Yearly
Request: June 15
Due: July 1

Environmental Health & Safety Inspections

OFSL works with and acts as a liaison for [UA Environmental Health and Safety \(EHS\)](#) regarding the various inspections they complete in Greek houses. EHS coordinates the inspections with the House Director or a designated chapter representative. Once inspections are complete, EHS will share a report of any findings that need to be addressed. A listing of EHS representatives based on the type of inspection can be found on their [website](#), or be directly contacted at (205) 348-5905.

Building Safety Inspections

[Building safety inspections](#) are completed quarterly when buildings are in use and include reviews of fire extinguishers, smoke alarms (including those in bedrooms), exit lights, and emergency lighting.

Food Service & Kitchen Inspections

[Food service and kitchen inspections](#) are unannounced and conducted at least monthly when facilities are in use. Scores from these inspection(s) are required to be posted in a prominent location. Anytime the house is not open for a full month, the inspection may roll into the next month. In the event kitchen service operations are disrupted, EHS should be contacted to assess the situation.

Fire Alarm System Inspection

[Fire alarm system inspections](#) occur annually and take place over the summer. EHS schedules this inspection during the spring semester with the House Director or a designated chapter representative. Other UA personnel may join EHS at the time of the inspection such as Building Information Services (BIS) to update the building drawings. This inspection and test require the activation of the fire alarm system, including notification and audiovisual equipment. Local smoke alarms in bedrooms are inspected, tested, and cleaned along with batteries replaced in the equipment. However, if new 10-year, sealed battery smoke alarms have been installed or smoke alarms are tied-in to the fire alarm system, which is now required by code in all new construction, this will not occur.

Fire Alarm System Response and Maintenance

EHS responds to issues involving the fire alarm system, parts connected to the system, and the signals received from the fire alarm system. When possible, EHS will schedule these inspections and visits to the house; however, often EHS is responding at the request of the University Police Department

(UAPD), Tuscaloosa Fire & Rescue Service (TFRS), and or other entities to maintain or address a concern associated with the system. In these cases, every effort will be made to make the House Director, or those responsible, aware of the response by EHS and the necessary repair required.

Fire Alarm Drills

EHS conducts fire drills in all campus buildings equipped with fire alarm equipment. Drills are unannounced and require EHS to enter the building to activate the fire alarm system. On occasion, TFRS assists EHS in the completion of the drill(s), particularly to address an issue or to make sure the occupants are evacuating as they should. Drills are conducted at least once a semester. All members should be instructed on the protocol in the event of a fire alarm. Failure to evacuate the Greek housing facility in a timely manner could result in fines being imposed by the Fire Marshall.

Kitchen Hood Suppression System Inspection

[Kitchen hood suppression system](#) inspections and tests are scheduled and completed twice a year. EHS schedules this inspection with the House Director or a designated chapter representative. One of these occurs during the annual fire alarm inspection during the summer. The second inspection is scheduled approximately 6 months after the annual fire alarm inspection/test. If kitchen appliances are replaced, added to, and/or relocated, EHS must be notified, and preferably before any changes are made, in order to appropriately assess the fire suppression needs of the appliances.

Fire Alarm System or Kitchen Hood System Acceptance Testing

When a fire alarm system or kitchen hood suppression system is altered, repaired, or replaced, system acceptance testing may be necessary. This testing/inspection process will be scheduled with those responsible for the building or construction site. EHS is often present at the Greek house for this testing session.

General Concerns

EHS reserves the right to enter any Greek housing facility on campus to address a concern or a potential hazard. Issues will be addressed as EHS becomes aware of the situation.

Social Event Inspections

[Social event inspections](#) are conducted the week of a registered social event being held on campus. This inspection is scheduled with the chapter representative responsible for registering the event and includes a review of common spaces, fire extinguishers, exit lights, and emergency lighting. Other items inspected and reviewed include egress paths, decorations or special effects planned for the social event, assembly area for the event, occupancy limits of the location, hallways, stairwells, exits, storage areas, mechanical spaces, and any other concerns found on site. A comparison of the occupancy limit of the space registered for the event along with a review of the anticipated number of guests will be completed prior to any recommendation for approval of the social event. All social events including charitable walks, runs, band parties, swaps, and philanthropies will be subject to review. In the case of walks and runs, the on-campus chapter facility for the event will be inspected the week of the event if guests are anticipated at the house as part of the event.

Social event inspections may be combined with the routine fire safety and equipment inspections if the event is scheduled for the week of the routine inspection. In the event multiple social events are scheduled for the same location within the same week, typically one event inspection occurs. However, EHS may deem a follow-up inspection necessary to address any potential concerns prior to the next scheduled social event (even those occurring in the same week). If issues are observed, the organization will be provided a report and given an opportunity to address those items. The facility will be reinspected once complete to determine if approval will be given for the event.

Construction Projects

All proposed major maintenance, renovation, new construction projects related to Student Organization Housing on The University of Alabama campus, regardless of funding source for the project (i.e. UA Borrowed Funds vs. Student Organization Funds), must be submitted to the UA Student Organization Facilities Committee for review prior to beginning any work. Student Organizations that wish to undertake a project must follow the [Student Organization Construction Project Guidelines](#) and submit a [Student Organization Project Initiation Request Form \(PIR\) \(link form or DocuSign Process\)](#) to the Office of Fraternity & Sorority Life at least one week prior to the next regularly scheduled Student Organization Facilities Committee meeting.

PIR Review meetings are held on the third Wednesday of every month, and special meetings can be called if necessary. The committee reviews all PIRs, makes recommendations to the Vice President for Student Life and the Vice President for Finance and Operations, and provides a Memorandum on whether the request was approved or denied. Completed PIRs are to be submitted to Jennifer Brown, Director of Fraternity and Sorority Housing, at jhbrown6@ua.edu.

The [Student Organization Housing Design Guidelines for Renovation, Addition and New Construction](#) are specific to Student Organization Housing projects and are supplemental to the University's Design Guidelines and Standards. These guidelines do not supersede or void the requirements contained in the [University Design Guidelines](#), rather this information provides more in-depth criteria applicable to Student Housing projects.

Please note that any project that affects the visual appearance of the facility, including landscaping, must be submitted for approval using the PIR form. When planning a project that includes any work that could activate the fire alarm system, such as spray painting the interior or sanding floors, Environmental Health and Safety should be notified before work commences.

Timeline in Submitting PIRs

Greek chapters anticipating major projects over the summer should submit a PIR no later than October 1, and August 1 for work to be completed over Winter Break. This allows proper time to review the project, and if needed, coordinate the bid process. Examples of work could include renovation or remodeling, extensive landscaping, extensive painting of the facility, etc. The deadline for minor work to be done over the Summer Break is May 1 and November 1 for Winter Break. This could include painting a few rooms, refinishing flooring, minimal landscaping updates, etc.

Asbestos and Lead-Based Paint Surveys

EHS is responsible for [asbestos and lead-based paint surveys](#). Surveys are conducted prior to renovations, construction, or demolition work. EHS will make every effort to schedule these surveys with the House Director, or a designated chapter representative, for the Greek housing facility. Additionally, a survey or sampling process may be required if changes develop within building materials (for example, pipe insulation begins to deteriorate, or floor tile becomes friable).

Landscaping

All landscape project plans must adhere to the guidelines as outlined in the University of Alabama Campus Master Plan dated 2017. Landscaping projects that alter the current landscaping must be submitted to the Student Organization Facilities Committee via the Project Initiation Request (PIR) form for approval prior to beginning any work. Work done prior to receiving approval could result in fines, and

landscaping being removed and installed utilizing approved materials adhering to UA standards. Organizations are encouraged to view the [Site and Landscape Design Guidelines](#).

Tree Care and Maintenance

The University of Alabama Facilities and Grounds [Campus Tree Care Policy](#) states: Having healthy trees is a top priority to keep our campus beautiful. Misuse of any and all trees is prohibited. Examples of abuse include, but are not limited to climbing, use of ropes, wire, hammocks, slack lines, zip lines, nails, tape, signage adhered to trees, etc. These issues cause stress, scarring, and often broken branches, which can lead to disease and death of an otherwise healthy tree and therefore are prohibited. Violations of the policy will result in fines imposed on the chapter by the University.

Campus Services

Internet & Cable

ResNet - OIT maintains an extensive network to bring wired and wireless connectivity across campus. This service is now available to all fraternities and sororities. If your chapter is currently using UA's Resnet services, charges are billed in the Fall and Spring. For the 2022-2023 school year, the cost for Resnet is \$79.50/bed per semester (this is the same amount billed to Resident Halls.) There are no charges during the summer months. If your chapter is interested in connecting to Resnet, please contact our office for more information.

For issues with this service, call (205) 348-5555 or submit a request to itservicedesk@ua.edu.

Xfinity Cable - The University of Alabama currently uses Xfinity as the cable TV provider to on-campus residents. Xfinity allows you to watch live television on your own terms – on laptops and other devices anywhere on campus. With over 220+ channels, 20 hours of your Cloud DVR space, and the ability to upgrade your service, Xfinity gives you the flexibility and control you need to stay up to date on sports, current events, and the shows that matter to you most. To learn more on streaming stream Xfinity and making your TV cable ready, view Enterprise Operations [webpage](#).

TV costs vary as it is based upon the number of units and/or outlets in the chapter houses. For the 2022-2023 school year, it is currently set at \$8.00/unit and \$3.82/outlet. Charges related to Xfinity Cable are billed yearly through Student Account Services and will reflect on the chapter's billing statement

For issues with this service, please contact Jennifer Brown at (205) 348-2693 or jhbrown6@ua.edu.

Campus Mail Services

Student Mail & Packages

Students residing on Campus in a Residential Community or Greek house can receive letter mail and trackable inbound UPS, FedEx, DHL and USPS items. Every student actively enrolled at UA is automatically assigned a 6-digit mailstop code (MSC#). This mailstop code (MSC#) is permanently assigned and allows every student the opportunity to receive any trackable item at the mail center. Students can access their unique MSC# located in myBama. Students should use the same address regardless of the carrier (USPS, UPS, FEDEX, DHL). Mail and Packages received with tracking or incomplete, incorrect or no MSC # will be returned to sender.

For safety and security reasons, students may not receive personal mail and packages at a Greek house. All students are required to use their personal mailstop code (MSC#) for receiving mail/packages at either the UA Student Center Mail Center or at the parcel lockers. Parcel lockers were installed all over campus closer to residential spaces as a more convenient way of picking up packages. If a student would like a package delivered to a parcel location, they will need to include their District number when addressing the package (shown below).

Personal mail and packages addressed to a student at a Greek house are held at the UA Student Center Mail Center for a maximum of 5 days. Unclaimed packages are returned to the sender.

Student Mailing Example:

Students' Full Name

MSC# _____
DISTRICT # _____
1831 University Station
Tuscaloosa, AL 35487

Business Operations

Greek houses use the same mailing format but instead with a 6-digit Box number assigned to the chapter. Mail may be received at this address for business operations related to the chapter/house. If the physical address is used, it will be returned to the sender.

Business Operations Mailing Example:

Name of Sorority/Fraternity

Parking Services

The Office of Fraternity and Sorority Life collects parking information in relation to students living in the house, chapter house reserved parking spaces (if applicable), virtual permits for advisors, and staff parking permit needs and provides it to Parking and Transportation Services. An outline of the time frames is listed below when this information is collected.

Member Parking Permits:

Fall Semester: June 1
Spring Semester: December 1

Reserved Parking Permits:

Fall Semester: July 15
Spring Semester: December 1

Virtual Permits:

Fall Semester:
Spring Semester:

Member Parking Permits

Based on the housing lists chapters submit to OFSL indicating members living in the house, the information will be provided to Parking and Transportation Services. In return, members can purchase the appropriate parking permit based on the chapter house where they will be living. This will be conducted each semester. Information submitted after the deadline above could result in members being delayed in purchasing their parking permits. Students moving into the Chapter House after classes have begun each semester should contact Lynn Morris at vlmorris@ua.edu. It may take 24-48 hours before the permit can be purchased.

Reserved Parking Spaces at the Chapter House

For those chapters with designated reserved parking spaces, an updated list of the individuals approved to park in each space will need to be submitted to the Office of Fraternity and Sorority Life each semester. This information is needed by the deadlines listed above. If there is a reserved space

for a student member of the chapter, that student must purchase a UA Parking Permit. The House Director may purchase either a residential or Faculty/Staff permit.

Virtual Permits:

Each chapter with a chapter house will be provided five (5) free permits a year, to be assigned to active chapter advisors and/or House Corporation Board representatives. These permits are Virtual Permits, assigned to the vehicle tag number. These permits do not allow access to campus parking on Game Days.

If a chapter has a dedicated reserved parking space for a Chapter Advisor, and that space is taken, other Advisors/HCB representatives who have been assigned one of the free permits, can park in the designated residential zone for that chapter. If the reserved spot is behind one of the sorority houses, the permit does not allow the Advisor/HCB representative permission to park in the deck. Parking would be allowed in the Tutwiler triangle lot. The vehicle would be subject to ticketing if parked in the Magnolia Deck.

House Staff Parking Permits

House staff that are employed to work in the chapter facility are eligible for on campus parking permits— Faculty/Staff or a Residential Zone. The chapter will need to provide OFSL with a list of staff member names that will then be provided to Parking and Transportation Services. The House Director or another designated representative of the Chapter are required to complete the paperwork with Parking Services and pay for the permits. In considering the type of pass to purchase, a Residential permit will allow house staff access to parking on Game Days. Staff members are expected to park in parking areas zoned for the permit the chapter purchases. Violations will result in fines for the registered driver of the vehicle. Any outstanding fines must be paid before Parking Services will issue a renewal permit.

Vehicle Submission Format

The information below is required when submitting the various parking lists for non-UA associated individuals. For current UA students and employees, their full given name and CWID will need to be provided.

Full Name:

CWID:

Make/Model/Color of Vehicle:

Vehicle License Plate # and State of Issue:

Contact Number:

Area Permit is needed for: (Reserved/Virtual)

Recycling

OFSL encourages all chapters to participate in UA's recycling program. This can range from the kitchen recycling materials to additional bins placed throughout the house for students use. For more information on UA's recycling programs, visit their [webpage](#) or call (205) 348-7502.

Student Services

Meal Plans Options through Bama Dining

Bama Dining offers returning Greek and first-year students that join a Greek organization an opportunity to downgrade to an Essential Plan each semester. This is available if the Greek organization requires a mandatory meal plan that includes at least ten meals a week. The Essential Meal Plan provides 55 meals and 25 retail meals per semester. Office of Fraternity and Sorority Life will share the Greek chapter's roster update with UA Dining Services for the downgrade. Therefore, it is important Greek chapters submit those reports based on the deadline outlined in the Roster Update section. Students are also encouraged to review their account to ensure the downgrade has been applied.

Students do have the option of choosing alternative meal plans through Bama Dining if they prefer more than 55 meals per semester. In addition, students on the Essential Meal Plan are not permitted to cancel their meal plan. If a new member de-pledges, their meal will be upgraded and will need to communicate with Bama Dining for their selection. Downgrades will not be processed after the dates list below. Bama [Dining's Meal Plan Terms & Condition](#) outline the various requirements. For more information, visit Bama Dining's [website](#).

Food Allergies

Reasonable accommodations should be made for members with food allergies. Members are to discuss any concerns related to food allergies with the designated Chapter representative. A chapter's process for submitting and processing accommodation requests should be included in the member contract, posted on the Chapter website, and posted in a visible location at the Chapter house. Members are encouraged to discuss special dietary needs prior to moving into the house, or as soon as possible when there is a new or changed diagnosis or circumstance. [Health Promotion and Wellness](#) offers appointments with a Registered Dietitian who can assist students with food allergy education for those who did not receive diet education after a diagnosis or need continued education for their allergy. For members eating in on-campus dining locations, Bama Dining provides a variety of meal options daily across both meal plan and retail locations. They provide an individualized, cooperative accommodation process for students on meal plans. For more information regarding Bama Dining's Food Allergy policy and procedure, please visit their [website](#).

Roster Updates

OFSL maintains chapter roster updates and sends three requests each semester. This roster reflects current members, new members (through Recruitment or COB), and those that de-pledge. It is imperative that this roster is updated each semester as it is tied to the Grade Report, Meal Plan downgrades, and Parking Permits. An email will be sent based on the schedule below with current information on file, and the chapter will have the opportunity to add new members or remove those that de-pledged.

Leadership Updates

OFSL maintains a master contact listing for various student, advisor, and house corporation roles. By doing this, it ensures we have accurate contact information in the event a chapter needs to be contacted. An email will be sent each semester requesting this information and any changes that may have occurred. The requests are in line with officer elections, but the chapter is free to send any updates at any time.

Assistance Animals

An assistance animal is an animal that works, aids, or performs tasks for the benefit of a person with a disability, or provides emotional support that alleviates one or more identified symptoms or effects of a person's disability. If a student with a disability needs to request allowance for a service or assistance animal to be kept in dwelling spaces of a Greek house that is not operated by the University of Alabama's Housing and Residential Communities, the student should address his or her request to the House Corporation Board.

The Americans with Disabilities Act of 1990 limits the scope of a service animal to a dog, or a miniature horse, that is trained to do work or perform tasks for individuals with disabilities. The work or task the animal is trained to perform must be directly related to the disability. Service animals are to be allowed access to all areas of the facility with the owner. Questions that are appropriate to ask the student related to a service animal are:

- a) whether the assistance animal is required because of a disability
- b) what work or tasks the animal is trained to perform

Emotional support animals (ESAs), as defined by the United States Department of Housing and Urban Development ("HUD"), which enforces The Fair Housing Act, is an animal that provides emotional support or alleviates one or more of the identified symptoms or effects of a person's disability. ESAs are not restricted to dogs or miniature horses and do not have to be trained. As a House Corporation, you may ask:

- a) does the person seeking to use and live with the animal have a disability
- b) does the person making the request have a disability-related need for an assistance animal

The answers will determine if the animal serves as a service animal or does the animal provide emotion support that alleviates one or more of the symptoms of the persons existing disability.

House Corporations may require a member whose disability is not readily apparent or known to submit reliable documentation of the disability as related to the need for an ESA. If the disability is readily apparent, but the disability-related need for the assistance animal is not, the House Corporation may ask the member to provide reliable documentation of the disability-related need for an assistance animal. It is fair to ask that documentation be provided from a physician, psychiatrist, social worker, or other mental health professional indicating that the animal provides emotional support that alleviates one or more of the identified symptoms or effects of an existing disability. If the documentation establishes that the member has a disability and the animal in question will provide some type of disability-related assistance or emotional support, the animal is allowed to reside in the facility. The animal can be restricted to the members living space, required to be on a leash when taken outside, maintain up to date vaccinations (including rabies), cannot be left for others to care for overnight, under the owner's control at all times, and can be restricted to the length of time the member has a disability.

Permission to allow the ESA can be denied if:

- a) the assistance animal in question poses a direct threat to the health or safety of others that cannot be reduced or eliminated by other reasonable accommodations
- b) the assistance animal in question would cause substantial physical damage to the property of others that cannot be reduced or eliminated by other reasonable accommodations

House Corporation Boards are encouraged to consult legal counsel and consider including specific language in resident contracts related to assistance and emotional support animals.

UA Student Handbook

Official University policies and procedures governing all students at the University of Alabama can be found in [UA's Student Handbook](#).

Chapter and Alumni Events

Alumni/ae events (GameDay, House Dedication, Alumni/ae Weekend, etc.) hosted by the local House Corporation Board and/or Alumni/ae Association at a chapter house that includes outside catered food and/or alcohol, use of the facility when it is closed, or events when a large number of guests are expected at the facility, should be registered with the University via a [Permissive Use Agreement](#).

Third Party Vendor Alcohol Distribution

Events where alcohol is provided by a Third Party Vendor in return for some form of payment (e.g., cash bar, paying for a dinner ticket, donations made in return for drink tickets, fundraising events, etc.), require approval from [State of Alabama Alcoholic Beverage Control \(ABC\) Board Licensing & Compliance Division](#) and the [City of Tuscaloosa](#) in order to sell on the premises where the function is to be held. The Third Party Vendor is required to secure a temporary [Special Event License](#) from the ABC Board, via the [Special Event Application Process](#). With the event being held on UA Property, an executed [UA Catered Beverage Service Permissive Use Agreement](#) is to be included at the time of application. For additional guidelines regarding events with outside catered food and alcohol, please refer to [UA's Alcohol Policy](#) and [Outside Catering Program](#).

Alcohol Policy

Alcohol is prohibited to be served or provided to individuals under 21. It is also a violation of the UA Alcohol and Drug Policy to knowingly allow an individual under the age of 21 consume alcohol. The University prohibits UA students serving someone alcohol who is visibly intoxicated, and/or pressuring an individual to use alcohol. Common source and "tap" systems are not allowed except when licensed. This includes, but is not limited to, kegs, beer balls, and punch bowls being used to serve alcohol. Drinking games are prohibited on campus including the paraphernalia used to administer drinking games or assist the user in ingesting alcohol at a fast rate. Refer to [UA's Alcohol and Drug Policy](#) and [Social Event Guidelines](#) for more information.

Approved Caterers

The University of Alabama has implemented a program for caterers who meet certain requirements and are willing to operate within the terms of an agreement. In addition, the University requires all caterers to provide evidence of insurance, business licensure, and health permits as required by law. In order to provide catering services at any UA facility or grounds and at any UA sponsored off-campus event, caterers must be approved through our [Outside Vendor Catering Program](#). This requirement applies regardless of whether the event is paid for with public funds or is paid for with foundation or private

funds. If food is picked up at a location where the food items are prepared by a chapter representative and dropped off at the housing facility, an approved vendor is not required.

Grounds Use Permit

Events held in the front yard are also subject to the [General Terms and Conditions for Grounds Use](#), which includes applying for a [Grounds Use Permit \(GUP\)](#) at minimum, 7-10 days in advance of the event. Additionally, events with an inflatable and/or a tent larger than a 10×10 that is secured to the ground using stakes, require an underground utility locate. For information about line locates, please contact Alison Hewson with Campus Support Services at (205) 348-1684 or aferrer@ua.edu. Alumni/ae events approved through a Permissive Use Agreement may be exempt from Grounds Use Permit submission.

Tuscaloosa County Health Department Exemption

If the chapter will be providing food service at a cost to its participants, the Tuscaloosa County Health Department (TCHD) requires the food service provider, whether that is the kitchen staff or an outside caterer, to submit an Exemption request for food service at a temporary event. This would include but not limited to where tickets are sold (even if not for food but food is being provided), donations are being accepted, arm bands are being sold and food is being serve, etc. The [Exemption request](#) must be submitted at least five business days prior to the event. Completed exemption applications must also be printed, completed, signed in **BLUE** ink, scanned, and emailed to Margaret Barrett, mmbarrett@ua.edu, with Environmental Health and Safety or hand delivered to:

*Environmental Health and Safety
1500 Warrior Drive,
Tuscaloosa, AL 35404*

EHS will submit the application on behalf of the organization. Once the exemption is approved, a representative from The University of Alabama's Environmental Health and Safety office will notify the organization representative submitting the Permissive Use Agreement.

For assistance in planning an Alumni/ae event at a chapter house, please contact Lynn Morris at (205) 348-9677 or vlmorris@ua.edu.

- UA has the discretion to determine if an inflatable is allowable. If is found to be unacceptable, the chapter will be asked to remove it within 24 hours.
- In the event an inflatable is not found properly anchored, the chapter will be contacted to do so immediately. If not secured within 24 hours, UA reserves the right to have it removed and disposed at the chapter's expense.

Data is collected from a wide variety of "Campus Security Authorities." A few of the many examples of Campus Security Authorities: Coaches and Coaching Staff, Advisors to Student Organizations, Student Residential Advisors or Assistants, or Greek Affairs Coordinators. If someone tells you about a crime or an incident that may be a crime, it is required to record the information and submit a report. When in doubt, report it! If the crime poses a serious or continuing threat to the campus community (assault), contact UAPD immediately at (205) 348-5454. For more information and a list of crimes that must be reported, please visit the Clery Act [website](#).

Social Media Guidelines

The Division of Strategic Communications provides organizations with details regarding UA's Social Media guidelines and recommendations for engagement on platforms like Facebook, Twitter, Snapchat, etc. Visit their [website](#) for more information.

University Trademark and Licensing

The [University of Alabama's Division of Strategic Communications, Trademark Licensing and Office of Procurement Services](#) have joined together to help University Departments and organizations protect and enhance the University's reputation by ensuring public-facing promotions adhere to approved brand standards. They work together to assist in finding and purchasing items using the University logos or insignia, which include any artwork that references the University in any way. This is done to

help protect the brand, image and reputation of The University of Alabama. Student organizations who wish to utilize UA trademarked symbols in t-shirts and/or designs, should review this policy and go through the proper channels for approval of the design.

UA Greek House Director Information

On the Job Injury and Illness Program

UA employed House Directors who are injured while conducting job related duties are expected to follow The University's process regarding on-the-job injuries. Below is a summary of the OJI program. For the full policy, please click [here](#).

The Workers' Compensation Act of the State of Alabama does not apply to The University of Alabama. The University provides and pays for The University of Alabama On-the-Job Injury/Illness Program (hereafter "OJI Program") to cover an employee's approved medical expenses and lost wages incurred as a result of an on-the-job injury or on-the-job illness (hereafter referred to as an "OJI").

For the purposes of this policy, the following definitions will apply: Accident shall mean an unexpected and unforeseen event, happening suddenly and violently, with or without human fault. On-the-Job Injury is defined as an injury resulting from an accident arising out of and in the course of the employment and shall not include an on-the job illness, except as provided for in this Policy. On-the-Job Illness is defined as an illness resulting from the continuous and repeated exposure to hazardous materials documented to be dangerous to humans when the exposure is determined to be excessive or above permissible limits established by the manufacturer of the material or other credible sources such as the Occupational Safety and Health Administration, National Institute of Occupational Safety and Health or American Conference of Governmental Industrial Hygienists.

Procedures

Reporting of Injuries

All OJIs, regardless of their severity, should be reported by the employee to the employee's supervisor within two (2) working days from the date of the OJI. An employee's failure to report the OJI to employee's supervisor within two (2) working days of its occurrence may result in a denial of benefits under the OJI Program. If circumstances permit, an OJI form should be completed by the supervisor before the employee seeks treatment at the University Medical Center ("UMC").
